

Volunteer Opportunity

Volunteer opportunity: Content Researcher

Service: Culture Team

Overseen by: Cultural Projects Manager

Summary:

To assist the Culture Team in researching and devising content for possible inclusion in the creation of new digital heritage trails being developed for the Cultural and Learning Hub in Tunbridge Wells.

Main Activities:

- Learn how to assist the Culture Team to create engaging content and narratives
- Participate in creating and testing digital trails, walks and tours
- Learn to navigate the collections database and recommend associated contextual content
- Help to edit and upload content to the digital trail database
- Help the Culture Team in the preparation and set up of audio/visual recording equipment
- Engage and converse with a variety of people including heritage experts, local residents, employees and staff of the new Culture and Learning Hub

NB Full support and training will be given. No previous video recording experience is necessary.
